

Yurt District Transportation

Location

We are located 25 km (20 minutes) from Rovaniemi city / Rovaniemi airport, located in the midst of wild nature along the picturesque big river. Our yurt district is situated in an open area facing north, far from city lights making our location perfect for witnessing the Northern lights without the need to book any additional aurora tours. You can easily reach us by car since we are located next to the main road and snow is groomed well.
